The following information supplements and updates the information contained in the Company’s preliminary prospectus supplement dated October 26, 2017 (the “Preliminary Prospectus Supplement”). In the Preliminary Prospectus Supplement, we did not specify the number of ADSs that we propose to lend to the ADS borrower. The number of ADSs to be lent by us to the ADS borrower has increased to up to 2,606,278 ADSs.

This issuer free writing prospectus updates the information contained in the Preliminary Prospectus Supplement to reflect the increases in the number of ADSs being offered. The free writing prospectus reflects the following amendments and supplements that were made to the Preliminary Prospectus Supplement.

China Lodging Group, Limited Announces Pricing of American Depositary Shares

SHANGHAI, China, October 27, 2017 (GLOBE NEWSWIRE) — China Lodging Group, Limited (Nasdaq: HTHT), a leading and fast-growing multi-brand hotel group in China (“China Lodging Group” or the “Company”), today announced the pricing of a previously announced offering of American Depositary Shares (“ADSs”), each currently representing four ordinary shares of the Company, par value of US\$0.0001 per share, which the Company will lend to an affiliate of the underwriter (the “ADS Borrower”).

The Company also priced the concurrent offering (the “Notes Offering”) of US\$425 million in aggregate principal amount of convertible senior notes due 2022 (the “Notes”) pursuant to Rule 144A and Regulation S under the Securities Act of 1933, as amended. The Company has granted the initial purchasers in the Notes Offering a 30-day option to purchase up to an additional

US\$50 million in principal amount of the Notes. The Company plans to use the net proceeds from the Notes Offering to pay the cost of the capped call transactions, and use the remainder of the net proceeds to repay all or part of the principal and interest of the loans that it borrowed from a US\$250 million revolving credit facility, to make investments in minority equity interests in businesses that are in the Company’s industry or are complementary to its business, and to fund other general corporate purposes.

In connection with the Notes Offering, the Company has entered into an ADS lending agreement, pursuant to which the ADS Borrower has borrowed 261,000 ADSs which have been initially offered at US\$130.18 per ADS. The offering of the 261,000 borrowed ADSs is conditioned on the closing of the Notes Offering. If the Notes Offering is not consummated, the ADS loan under the ADS lending agreement will terminate, the offering of the 261,000 borrowed ADSs will terminate and all borrowed ADSs (or ADSs fungible with borrowed ADSs) must be returned to the Company. The ADS Borrower will receive all of the proceeds from the issuance of the borrowed ADSs. The Company will not receive any proceeds but will receive a nominal lending fee from the ADS Borrower, which will be applied to fully pay up the ordinary shares underlying the Borrowed ADSs. The issuance of the borrowed ADSs is intended to allow some investors in the Notes to hedge their exposure to the Notes. The ADS Borrower will be required to return the borrowed ADSs to the Company pursuant to the ADS lending agreement following the maturity date. The borrowed ADSs are not outstanding for purposes of calculating earnings per share under current GAAP rules, and therefore the Company will not incur share dilution from the borrowed ADSs.

The ADS lending agreement provides that in the future the ADS Borrower may borrow additional ADSs, which case would be expected to be subsequently issued at prevailing market prices or at negotiated prices, with the ADS Borrower repurchasing a comparable number of ADSs over a similar timeframe. The number of shares which the ADS Borrower may borrow over time (inclusive of the 261,000 borrowed upfront) may not exceed 2,606,278 ADSs.

The Company has filed an automatic shelf registration statement on Form F-3 with the U.S. Securities and Exchange Commission (“SEC”). A prospectus supplement and the related base prospectus describing the terms of the ADS Offering have been filed with the SEC. When available, the final prospectus supplement for the ADS Offering will be filed with the SEC. The ADS Offering is being made only by means of the prospectus supplement and accompanying base prospectus. Before you invest, you should read the prospectus supplement and the accompanying base prospectus and other documents that the Company has filed with the SEC for more complete information about the Company and the offering. You may obtain these documents free of charge by visiting EDGAR on the SEC website at www.sec.gov. Alternatively, a copy of the prospectus supplement and the related base prospectus may be obtained from Deutsche Bank Securities Inc., Attention: Prospectus Group, Bank Securities Inc., 60 Wall Street, New York, NY, 10005 by e-mail at prospectus.cpdg@db.com.
