

### China Lodging Group First Quarter 2013 Results

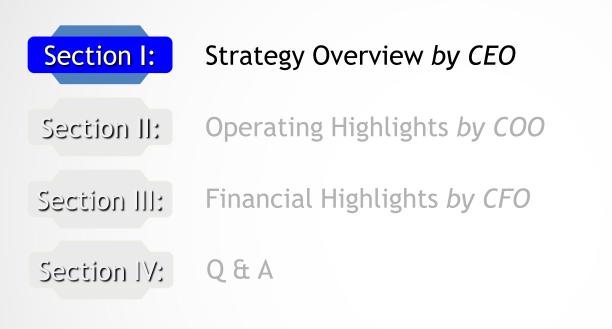

Statements in this presentation contain "forward-looking" statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and as defined in the Private Securities Litigation Reform Act of 1995, including, among others, those relating to China Lodging Group, Limited ("Hua Zhu" or the "Company")'s beliefs as to the growth of the Chinese economy and the hotel industry and the factors driving expected growth, the Company's growth strategy and expansion plan, and the competitive advantage and expected execution of its hotel pipeline development and business model. These forward-looking statements are not historical facts but instead represent only the Company's belief regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company's control. The Company's actual results and financial condition and other circumstances may differ, possibly materially, from the anticipated results and financial condition indicated in these forward-looking statements. In particular, the Company's operating results for any period are impacted significantly by the mix of leased hotels manachised hotels, and franchised hotels in its chain, causing the Company's operating results to fluctuate and making them difficult to predict.

Because forward-looking statements are subject to risks and uncertainties, we caution you not to place undue reliance on any forward-looking statements. All written or oral forward-looking statements by the Company or persons acting on its behalf are qualified by these cautionary statements.

The Company undertakes no obligation to publicly update or revise any forward-looking statements or other information or data contained in this presentation, whether to reflect any change in its expectations with respect to such statements or any change in events, conditions or circumstances on which any such statements are based or otherwise.
