(c) The following table sets forth the transactions in the class of securities reported on that were effected during the past sixty days by the Reporting Persons in the open markets.

East Leader	Sale	December 27, 2012	6,402 ADSs	\$ 15.5732

In addition, Winner Crown entered into four variable price forward transactions with respect to an aggregate of 400,000 ADSs with Credit Suisse Capital LLC (“CSCL”) on December 31, 2012 (the “Execution Date”). Under each variable price forward transaction, Winner Crown agreed to sell to CSCL 100,000 ADSs (subject to Winner Crown’s right to elect cash settlement), with settlement to occur on or about two years after the Execution Date (the “Settlement Date”), against payment of a purchase price (the “Purchase Price”) consisting of a prepayment amount to be paid on or shortly after the Execution Date and, if applicable, a conditional additional payment to be paid on the Settlement Date. The Purchase Price will be determined pursuant to a formula that was fixed on or shortly after the Execution Date based on the actual execution prices of the initial sales of ADSs comprising CSCL’s initial hedge transaction, which formula references the arithmetic mean of the daily volume weighted average prices per ADS over an averaging period immediately preceding, and including, the scheduled maturity date of the variable price forward transactions. In addition, Winner Crown has delivered to CSCL an aggregate of 400,000 ADSs as collateral securing Winner Crown’s obligation under the variable price forward transactions.

Other than as described in Items 3 and 4 above, there have been no transactions in the class of securities reported on that were effected during the past sixty days by any of the Reporting Persons.
